

We got all us to live screaming in the dark

## Fill in the gaps

Somebody (1) a move-	(11) we just play our part
Somebody make a move, somebody-	I'll (12) right along
Test my reality	Like I don't (13) what's going on
(2) if there's a weak spot	(14) make a move
Clinging to insanity	Somebody make a move
Hopes the world will ease up	Please somebody make a move
Try to make it look like	We all know, we all know what's going on
t's all somehow getting better	Pointing my fingers the problems still linger
Because I know how to play it pretty good	They (15) getting bigger and I hold the trigger
Against the measure	Running with fire I live like a liar
Everyone (3) out a little insane	Please somebody make a move
But you learn (4) quick how to fake it for the	-Somebody make a move- I'm pointing my fingers
ame	-Somebody (16) a move- The problems
But (5) of you	(17) linger
Never learned to drop the act	- Somebody (18) a move- I'm pointing my fingers
So under that skin of yours: a heart attack	(19) somebody make a move
Because everybody's so scared	Because everybody's so scared
We don't (6) go there	We don't wanna go there
Ne don't wanna make a move	We don't wanna (20) a move
We got all us to live (7) in the dark	Screaming in the dark
Nhile we just play our part	While we (21) play our part
'll play right along	I'll play right along
Like I don't know what's going on	Because everybody's so scared
Somebody make a move	We don't wanna go there
Somebody make a move	We don't wanna make a move
Please somebody make a move	We got all us to live screaming in the dark
Ne all know, we all know what's going on	While we just (22) our part
Hey if I had the answers I'd have written them out	I'll play right along
So I could tell you what to do and what (8) thing is	(23) I don't (24) what's going on
bout	Somebody make a move
But all I've ever learned (9) second-hand	Somebody make a move
And I dare not preach what I don't detent	(25) somebody make a move
You and I, we share the same disease	We all know, we all know what's (26) on
Cover up, compromise what we grieve	Somebody make a move
ve let more than my share of revivals die	Somebody make a move
(10) isn't pretty but it's what I am tonight	Please (27) make a move
Because everybody's so scared	We all know, we all (28) what's going on
We don't wanna go there	
Ne don't wanna make a move
