

We got all us to live screaming in the dark

Fill in the gaps

-Somebody make a move-	While we just play our part
-Somebody make a move, somebody-	I'll play right along
Test my reality	Like I don't know what's going on
Check if there's a weak spot	Somebody make a move
Clinging to insanity	Somebody make a move
Hopes the world will ease up	Please somebody make a move
Try to make it look like	We all know, we all (6) what's going on
It's all somehow getting better	Pointing my fingers the problems still linger
Because I know how to play it pretty good	They keep getting bigger and I hold the trigger
Against the measure	Running with fire I live like a liar
Everyone (1) out a little insane	Please somebody make a move
But you learn pretty quick how to fake it for the game	-Somebody make a move- I'm pointing my fingers
But some of you	-Somebody make a move- The problems (7)
Never learned to drop the act	linger
So under that skin of yours: a heart attack	- Somebody make a move- I'm pointing my fingers
Because everybody's so scared	Please somebody make a move
We don't wanna go there	Because everybody's so scared
We don't wanna make a move	We don't wanna go there
We got all us to live screaming in the dark	We don't wanna make a move
(2) we just play our part	(8) in the dark
I'll play right along	While we just play our part
Like I don't know what's going on	I'll play right along
Somebody make a move	(9) everybody's so scared
Somebody make a move	We don't wanna go there
Please somebody make a move	We don't wanna make a move
We all know, we all (3) what's going on	We got all us to live screaming in the dark
Hey if I had the answers I'd have written (4) out	While we just play our part
So I could tell you what to do and what this thing is about	I'll play right along
But all I've ever learned comes second-hand	Like I don't know what's going on
And I dare not preach what I don't detent	Somebody make a move
You and I, we share the same disease	Somebody make a move
Cover up, compromise what we grieve	Please somebody make a move
I've let more than my share of revivals die	We all know, we all know what's (10) on
This isn't pretty but it's (5) I am tonight	Somebody make a move
Because everybody's so scared	Somebody make a move
We don't wanna go there	Please somebody make a move
We don't wanna make a move	We all know, we all know what's going on
