

Black shades, bright nights

## Fill in the gaps

They say you're a freak	Back to (14) we'll do this till the end of time
When we're having fun	You and I live don't learn
Say you must be (1)	(15) we fire it up and let it burn
When we're (2) love	(16) (17) into my arms
But we're (3) living life and we never stop	I will get your life drunk
We got the world	We'll be (18) bright
We got the world	Us against the world tonight
We can live fast, fly young	They say you're a (19)
(4) we celebrate just (5) we	When we're (20) fun
want	Say you (21) be high
Only you and I, DIY	When we're (22) love
We (6) a way to live the dream (7)	But we're (23) living life and we never stop
we die	We got the world
Just (8) into my arms	We got the world
I (9) get (10) (11) drunk	They say you're a freak
We'll be burning bright	When we're (24) fun
Us against the world tonight	Say you must be (25)
They say you're a (12)	When we're spreading love
When we're having fun	But we're (26) living life and we (27)
Say you must be high	stop
When we're (13) love	We got the world
But we're just living life and we never stop	We got the world
We got the world	
We got the world
