We got the world by Icona Pop

Fill in the gaps

They say you're a freak	Back to back we'll do this till the e	Back to back we'll do this till the end of time	
When we're having fun	You and I live don't learn		
Say you must be high	Everyday we fire it up and let it burn		
When we're spreading love	Just come into my arms		
But we're (1) living life and we (2)	_ I will get your life drunk		
stop	We'll be burning bright		
We got the world	Us against the world tonight		
We got the world	They say you're a freak		
We can live fast, fly young	When we're having fun		
Everyday we celebrate (3) like we want	Say you must be high		
Only you and I, DIY	When we're spreading love		
We found a way to (4) the dream (5)	But we're just living (9)	and we never stop	
we die	We got the world		
Just come into my arms	We got the world		
I will get your life drunk	They say you're a freak		
We'll be burning bright	When we're having fun		
Us against the world tonight	Say you must be high		
They say you're a (6)	When we're spreading love		
When we're having fun	But we're just (10)	life and we never stop	
Say you must be high	We got the world		
When we're spreading love	We got the world		
But we're (7) living life and we (8)	_		
stop			
We got the world
