On the top of the world by Imagine Dragons

If you love somebody	Waiting on (17) for a while now
(1) tell them why they're here	(18) my dues to the dirt
Because they just may run away from you	I've (19) waiting to smile
You'll never know (2) went well	Been holding it in for a while
Then again it (3) (4) on	Take it with me if I can
How long of time is left for you	I've been dreaming of (20) since a child
I've had the highest mountains	And I know it's hard when you're falling down
I've had the (5) rivers	And it's a long way up when you hit the ground
You can have it all but not (6) you move it	Get up now, get up, get up now
Now (7) it in but don't look down	And I know it's hard when you're falling down
(8) I'm on top of the world, hey	And it's a long way up when you hit the ground
I'm on top of the world, hey	Get up now, get up, get up now
Waiting on this for a while now	Because I'm on top of the world, hey
Paying my (9) to the dirt	I'm on top of the world, hey
I've been waiting to smile	Waiting on (21) for a (22) now
Been holding it in for a while	Paying my (23) to the dirt
Take it with me if I can	I've been (24) to smile
I've been dreaming of this since a child	Been holding it in for a while
I'm on top of the world	Take it with me if I can
I've (10) to cut these corners	(25) dreaming of this since a child
Try to take the easy way out	And I know it's hard when you're falling down
I kept on falling short of something	And it's a long way up when you hit the ground
I could've (11) up then but	Get up now, get up, get up now
(12) again I couldn't (13) because	And I know it's hard (26) you're falling down
I've traveled all this way for something	And it's a long way up when you hit the ground
Now take it in but don't look down	Get up now, get up, get up now
(14) I'm on top of the world, hey	Because I'm on top of the world, hey
I'm on top of the world, hey	I'm on top of the world, hey
(15) on this for a while now	Waiting on this for a while now
Paying my dues to the dirt	Paying my dues to the dirt
I've been waiting to smile	I've (27) waiting to smile
Been holding it in for a while	Been holding it in for a while
Take it with me if I can	Take it with me if I can
I've (16) dreaming of this since a child	I've been dreaming of (28) (29) a
I'm on top of the world	child
Because I'm on top of the world, hey	I'm on top of the world
