

Fill in the gaps

Up by James Morrison & Jessie J

now can i linu you			
When you're always hiding from yourself			
Playing hide and seek with me			
Till it gets too dark			
Too dark, inside your shell			
Why do I even try			
When you take me for granted			
I should know better by now			
When you call I already hear that (1)			
sound			
As it all falls down			
It's never too late to turn it back around			
Yeah I know you can			
Don't bury your days deep in the ground			
When it all falls down			
The only way is up, up, up			
The only way is up			
I watch your spirit break			
As it shatters into a (2) pieces			
Just like glass I see right (3) you			
In your parade of excuses			
Feels like groundhog day			
You say the same (4) over and over			
There's that look in your eye			
And I hear that crashing sound			
As it all falls down			

It's never too late to turn it back around				
Yeah I know you can				
Don't bury your demons deep in the ground				
When it all falls down				
The only way is up, up, up				
The only way is up, up, up				
Well, it's your love	(5)		strong	
(6)	the only thi	ing that keep	s me holding on	
(7)	your heart	this weak		
But it's not too weak to bring you back to me				
It's never too late to turn it back around				
Yeah, I know you o	an			
Don't bury your (8) deep in the ground				
When it all falls down				
When it all falls down				
It's never too late to turn it back around				
Its never too late				
When it all (9) down				
The only way is up				
The only way is up, up, up				
The only way is up				
When it all falls down
