

I haven't felt this awake in years
Was too busy (1) my tears
To feel the sun was shining on my skin
Locked up in my own cage
Filled up (2) a bitter rage
I couldn't see the prison I was in
I walked across the line alone
To find a truth I'd never ever known
The truth was there all this time
The only one who couldn't see was me
And I have (3) waiting for this awakening
for so long, so long
I gotta get a little (4) inside
And I'm here holding out for just one thing
And it's your love, your love
It (5) everything feel alright
I was slowly slowly dying, slowly dying
It's like the first day (6) alive
Float through me like summer breeze
Put my twisted mind at ease
And all the troubles of the world
just drift away
Jump out like a shooting star
I make a wish to be where you are
And underneath your glow is where I'll stay

Fill in the gaps

The only place I want to be
Is right here with you next to me
And I have been waiting for this awakening
for so long, so long
I gotta get a little light inside
And (7) here (8) out for jus
one thing
And it's your love, your love
Makes everything feel alright
I was slowly slowly dying, slowly dying
It's like the first day I'm alive
I've been awakening for so long, so long
I've been awakening for so long, so long
And I walked across the line alone
To find a truth I'd (9) ever known
The truth was there all this time
The only one who couldn't see was me
And I have been waiting for this awakening
for so long, so long
I gotta get a little light inside
And I'm here holding out for (10) one thing
And it's your love, your love
Makes everything feel alright
