When you first left me I was wanting more
But you were fucking that girl next door,
What did you do that for? (What did you do that for?)
When you first left me I didn't know what to say
I've never been on my own that way, just sat by
(1)_____ all day
I was so lost back then
But with a (2)_____ help from my friends
I found a (3)_____ in the tunnel at the end
Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone
At first when I see you cry,
Yeah it makes me smile, yeah it makes me smile
At worst I feel bad for a while,
But then I just smile I go ahead and smile
Whenever you see me you say that
You want me back(Want be back)
And I tell you it don't mean jack,(It don't (4)_____ jack)
No it don't mean jack(No it don't mean jack)

See you messed up my mental health
