Tattoos on this town by Jason Aldean

There's still (1) (2) on that county	it's everything we're made of
road	It (15) left it's mark on us,
Where we (3) raced our pick ups	We sure (16) our (17) on it
And mustangs	We let the (18) know we were here
And weathered on the (4) rain	With everything we did
And to (5) day up on that overpass	We laid a lot of memories down,
(6) underneath the new paint, you can	(19) tattoo's on this town
(7) see:	Like tattoo's on this town
"Allie will you marry me?"	Everywhere, there we are
Take a ride, look around	It hits me right, in my heart
There ain't no doubt	It (20) left it's (21) on us,
It sure (8) it's mark on us,	we sure left our mark on it
We sure left our mark on it	We let the (22) know we were here
We sure left our mark on it We let the world (9) we (10) here	We let the (22) know we were here With everything we did
	, ,
We let the world (9) we (10) here	With everything we did
We let the world (9) we (10) here With everything we did	With everything we did We (23) a lot of (24) down,
We let the world (9) we (10) here With everything we did We laid a lot of (11) down	With everything we did We (23) a lot of (24) down, But we'll (25) be hanging around
We let the world (9) we (10) here With everything we did We laid a lot of (11) down Like tattoo's on this town	With everything we did We (23) a lot of (24) down, But we'll (25) be hanging around Like tattoo's on (26) town
We let the world (9) we (10) here With everything we did We laid a lot of (11) down Like tattoo's on this town There's still a rope burn on the old branch,	With everything we did We (23) a lot of (24) down, But we'll (25) be hanging around Like tattoo's on (26) town
We let the world (9) we (10) here With everything we did We laid a lot of (11) down Like tattoo's on this town There's still a rope burn on the old branch, that hangs over the river, I still got the scare	With everything we did We (23) a lot of (24) down, But we'll (25) be hanging around Like tattoo's on (26) town
We let the world (9) we (10) here With everything we did We laid a lot of (11) down Like tattoo's on this town There's still a rope burn on the old branch, that hangs over the river, I still got the scare From swinging out a little too far	With everything we did We (23) a lot of (24) down, But we'll (25) be hanging around Like tattoo's on (26) town
We let the world (9) we (10) here With everything we did We laid a lot of (11) down Like tattoo's on this town There's still a rope burn on the old branch, that hangs over the river, I still got the scare From swinging out a little too far (12) ain't a corner of this hallowed ground,	With everything we did We (23) a lot of (24) down, But we'll (25) be hanging around Like tattoo's on (26) town
