Tattoos on this town by Jason Aldean

There's still black (1) on that county road	It's everything we're made of
Where we drag raced our pick ups	It (8) left it's mark on us,
And mustangs	We sure left our mark on it
And weathered on the summer rain	We let the world know we were here
And to this day up on that overpass	With (9) we did
Even underneath the new paint, you can (2)	We laid a lot of memories down,
see:	Like tattoo's on this town
"Allie will you marry me?"	(10) tattoo's on this town
(3) a ride, look around	Everywhere, there we are
There ain't no doubt	It hits me right, in my heart
It sure left it's mark on us,	It sure left it's mark on us,
We sure left our mark on it	we sure left our mark on it
We let the (4) know we were here	We let the world know we were here
With everything we did	With everything we did
We (5) a lot of memories down	We laid a lot of memories down,
Like tattoo's on this town	But we'll always be hanging around
There's still a (6) burn on the old branch,	Like tattoo's on this town
that hangs over the river, I still got the scare	Like tattoo's on this town
From swinging out a little too far	
(7) ain't a corner of this hallowed ground,	
That we ain't laughed or cried on,	
it's where we loved, lived and learned a lot of stuff
