

Fill in the gaps

I stare at my reflection in the mirror	It's okay not to be okay
Why am I (1) this to myself?	Sometimes it's hard
(2) my mind on a tiny error	to follow your heart
I (3) left the (4) me on the shelf,	But (9) don't mean you're losing
no, no, no	everybody's bruising
Don't (5) who you are	There's nothing wrong with who you are
in the blur of the stars	Yes, No's, egos, fake shows like woo
Seeing is deceiving	just go, and leave me alone
dreaming is believing	Real talk, real life, good love,
It's (6) not to be okay	goodnight with a smile, that's my own, no, no, no, no
Sometimes it's hard	Don't lose who you are
to follow your heart	in the blur of the stars
Tears don't mean you're losing	Seeing is deceiving
everybody's bruising	dreaming is believing
(7) be true to who you are	It's (10) not to be okay
-Who you are- (bis)	Sometimes it's hard
Brushing my hair, do I look perfect?	to follow your heart
I forgot (8) to do to fit the mold	Tears don't mean you're losing
The more I try the less is working	everybody's bruising
Because everything inside me screams, no, no, no, no	Just be true to who you are
Don't lose who you are	
in the blur of the stars	
Seeing is deceiving	
dreaming is believing
