

Fill in the gaps

I stare at my reflection in the mirror	It's okay not to be okay
Why am I doing (1) to myself?	Sometimes it's hard
Losing my mind on a tiny error	to follow your heart
I (2) left the real me on the shelf, no, no, no	But tears don't mean you're losing
Don't (3) who you are	everybody's bruising
in the blur of the stars	There's (5) (6) with who you
Seeing is deceiving	are
dreaming is believing	Yes, No's, egos, fake shows like woo
It's okay not to be okay	just go, and leave me alone
Sometimes it's hard	(7) talk, (8) life, good love,
to follow your heart	goodnight with a smile, that's my own, no, no, no, no
Tears don't mean you're losing	Don't (9) who you are
everybody's bruising	in the blur of the stars
Just be true to who you are	Seeing is deceiving
-Who you are- (bis)	dreaming is believing
Brushing my hair, do I look perfect?	It's okay not to be okay
I forgot what to do to fit the mold	Sometimes it's hard
The more I try the less is working	to follow (10) heart
Because everything inside me screams, no, no, no, no	Tears don't mean you're losing
Don't lose who you are	everybody's bruising
in the blur of the stars	Just be true to who you are
(4) is deceiving	
dreaming is believing
