

Fill in the gaps

Working class hero by John Lennon

As soon as you're born	you're so full of fear
They make you feel small	A working class hero is something to be
By giving you no time instead of it all	A working class hero is (4) to be
Till the pain is so big	(5) you doped with (6) and
You feel nothing at all	sex and TV
A working class hero is something to be	And you think you're so clever and classless and free
A working class hero is something to be	But you're still fuc**g peasant as far as I can see
They hurt you at home	A working class hero is something to be
And they hit you at school	A working (7) hero is something to be
They hate you if you're clever	There's room at the top they are telling you still
And they despise a fool	But first you must (8) how to smile as you kill
(1) you're so (2) crazy	If you want to be like the folks on the hill
You can't follow their rules	A working (9) hero is something to be
A working class hero is something to be	A working class hero is something to be
A working class hero is something to be	If you want to be a hero
When they've tortured and scared you	Well, just follow me
for twenty odd years	If you want to be a hero
(3) they expect you to pick a career	Well, just (10) me
When you can really function	

- 1. Till
- 2. fuc**g
- 3. Then
- 4. something
- 5. Keep
- 6. religion
- 7. class
- 8. learn
- 9. class
- 10. follow
