

## Fill in the gaps

## Working class hero by John Lennon

As soon as you're born	you're so full of fear
They make you feel small	A (15) class hero is something to be
By giving you no time (1) of it all	A (16) class (17) is som
Till the pain is so big	to be
You feel nothing at all	Keep you doped with religion and sex and TV
A (2) class hero is something to be	And you think you're so clever and classless and free
A (3) class hero is something to be	But you're still (18) peasant as far as
They (4) you at (5)	see
And they hit you at school	A working class (19) is something to be
They hate you if you're clever	A (20) class (21) is som
And (6) despise a fool	to be
Till you're so (7) crazy	There's room at the top they are (22)
You can't follow (8) rules	still
A working (9) hero is	But first you must learn how to smile as you kill
(10) to be	If you want to be like the folks on the hill
A working class (11) is something to be	A (23) class hero is something to be
When they've (12) and scared you	A working class hero is (24) to b
for twenty odd years	If you want to be a hero
(13) they expect you to pick a career	Well, just follow me
When you can really (14)	If you want to be a hero
