Working class hero by John Lennon

As soon as you're born	you're so full of fear	
They make you feel small	A working class hero is something to be	
By giving you no time instead of it all	A working class hero is something to be	
Till the pain is so big	Keep you doped with religion and sex and TV	
You (1) nothing at all	And you think you're so clever and classless and free	
A working class hero is something to be	But you're still fuc**g peasant as far as I can see	
A working class hero is something to be	A working class hero is something to be	
They hurt you at home	A working class hero is something to be	
And they hit you at school	There's room at the top they are telling you still	
They hate you if you're clever	But first you must learn how to smile as you kill	
And they despise a fool	If you want to be like the folks on the hill	
Till you're so fuc**g crazy	A working class hero is something to be	
You can't follow their rules	A working (7) (8) i	is
A working class hero is (2) to be	(9) to be	
A working (3) hero is something to be	If you want to be a hero	
When they've tortured and (4) you	Well, just follow me	
for twenty odd years	If you want to be a hero	
Then (5) expect you to (6) a career	Well, just (10) me	
When you can really function

- 2. something
- 3. class
