

Fill in the gaps

I've been searching for you	I wonder if I'll ever see you again
I heard a cry within my soul	I've searched through time
I've never had a (1) quite (2)	I've always known
this before	That you (6) (7) upon your throne
Now here you are walking right through my door.	A lonely queen without her king
(Chorus)	I've longed for you my (8) forever
All of my life	-short interlude-
Where have you been	(Chorus)
I wonder if I'll (3) see you again	All of my life
And if that day comes	Where have you been
I know we could win	I wonder if I'll ever see you again
I wonder if I'll ever see you again	And if that day comes
A sacred gift of heaven	I know we could win
For better, worse, wherever	I wonder if I'll ever see you again
And I would never let somebody (4) you down	(repeat Chorus one more time)
Or take your crown never	I wonder if I'll ever see you again
(Chorus)	I (9) if I'll ever see you again
All of my life	I wonder if I'll ever see you again
Where have you been	I wonder if I'll (10) see you again
I (5) if I'll ever see you again	I wonder if I'll ever see you again
And if that day comes	
I know we could win
