

## Fill in the gaps

You love who you love, who you love	(13) you love who you love, who you love
You love who you love, who you love	You love who you love, who you love
My girl ain't the one (1) I saw coming	Yeah, you love who you love, who you love
And (2) I don't know which way to go	Oh, you can't make (14) stop dreaming
And I tried to run before	Who you're (15) of
But I'm not running anymore	If it's who you love
Because I've fought against it	(16) it's who you love
(3) (4) to know	Oh, you love who you love, who you love
That you love who you love, who you love	You (17) who you love, who you love
You love who you love, who you love	You love who you love, who you love
You (5) who you love, who you love	Oh, you can't make yourself stop dreaming
Oh, you can't make yourself (6) dreaming	Who you're (18) of
Who you're (7) of	If it's who you love
If it's who you love	Then it's who you love
(8) it's who you love	It's who you love
My boy ain't the one that I saw coming	Who you love
And (9) (10) (11)	Who you love
His heart's too hot to hold	Who you love
And it takes a little time	You're the one I love
But you should see him when he shines	
Because you (12) want to let that feeling go
