

## Fill in the gaps

Riding through the city on my (1) all day	Sun is in the sky, on why, on why
'Cause the filth took away my license	Would I wanna be anywhere else?
It doesn't get me down and I feel O.K.	Sun is in the sky, oh why, oh why
'Cause the sights that I'm seeing are priceless	Would I (6) be anywhere else?
Everything seems to look as it should	When you (7) with your eyes
But I wonder what goes on behind doors	Everything (8) nice
A fella looking dapper, but he's sitting with a slapper	But if you look twice
Then I see it's a pimp and his crack whore	You can see it's all lies
You might laugh, you might frown	Life, yeah that's city life, yeah that's (9) life, yeah
Walking 'round London town	that's city life
Sun is in the sky, oh why, oh why	Life, yeah that's city life, yeah that's (10) life, yeah
Would I wanna be anywhere else?	that's city life
Sun is in the sky, oh why, oh why	Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?	Would I wanna be anywhere else?
When you look with your eyes	Sun is in the sky, oh why, oh why
Everything seems nice	Would I wanna be anywhere else?
But if you look twice	Sun is in the sky, oh why, oh why
You can see it's all lies	Would I wanna be anywhere else?
There was a little old lady who was (2)	Sun is in the sky, oh why, oh why
down the road	Would I wanna be anywhere else?
She was (3) with (4)	When you look with your eyes
from Tesco	Everything seems nice
There were people from the city (5) lunch in	But if you look twice
the park	You can see it's all lies
I believe that it's called al fresco	When you look with your eyes
When a kid came along to offer a hand	Everything seems nice
But before she had time to accept it	But if you look twice
Hits her over the head, doesn't care if she's dead	You can see it's all lies
'Cause he's got all her jewellery and wallet	
You might laugh, you might frown
