

## Fill in the gaps

| Riding (1) the (2) on my bike all                         | Sun is in the sky, oh why, oh why                                    |
|-----------------------------------------------------------|----------------------------------------------------------------------|
| day                                                       | Would I wanna be anywhere else?                                      |
| 'Cause the filth took away my license                     | Sun is in the sky, oh why, oh why                                    |
| It doesn't get me down and I (3) O.K.                     | Would I wanna be anywhere else?                                      |
| 'Cause the (4) that I'm seeing are priceless              | When you look with (23) eyes                                         |
| Everything seems to look as it should                     | Everything seems nice                                                |
| But I (5) what goes on (6)                                | But if you look twice                                                |
| doors                                                     | You can see it's all lies                                            |
| A fella looking dapper, but he's (7) with a               | Life, yeah that's city life, yeah that's (24) life, yeah             |
| slapper                                                   | that's city life                                                     |
| Then I see it's a pimp and his (8) whore                  | Life, yeah that's city life, yeah that's city life, yeah that's city |
| You might laugh, you might frown                          | life                                                                 |
| Walking 'round (9) town                                   | Sun is in the sky, oh why, oh why                                    |
| Sun is in the sky, oh why, oh why                         | Would I wanna be anywhere else?                                      |
| Would I wanna be (10) else?                               | Sun is in the sky, oh why, oh why                                    |
| Sun is in the sky, oh why, oh why                         | Would I wanna be (25) else?                                          |
| Would I wanna be anywhere else?                           | Sun is in the sky, oh why, oh why                                    |
| When you look (11) your eyes                              | Would I wanna be anywhere else?                                      |
| Everything seems nice                                     | Sun is in the sky, oh why, oh why                                    |
| But if you look twice                                     | Would I wanna be anywhere else?                                      |
| You can see it's all lies                                 | When you look (26) your eyes                                         |
| There was a little old lady who was walking down the road | Everything seems nice                                                |
| She was (12) bags                                         | But if you look twice                                                |
| from Tesco                                                | You can see it's all lies                                            |
| There (14) people from the (15)                           | When you look (27) (28) eyes                                         |
| (16) in the park                                          | Everything seems nice                                                |
| I (18) that it's called al fresco                         | But if you (29) twice                                                |
| When a kid came (19) to offer a hand                      | You can see it's all lies                                            |
| But (20) she had time to accept it                        |                                                                      |
| Hits her over the head, doesn't care if she's dead        |                                                                      |
| 'Cause he's got all her (21) and wallet                   |                                                                      |
| You might laugh, you (22) frown                           |                                                                      |
| Walking 'round London town                                |                                                                      |
