

## Fill in the gaps

I said why?, did you ever even try?				
Infiltrate but never find				
Just falling slowly				
You left me so damn lonely				
Try, stepping back to (1) we rhymed				
Maybe recreate the times				
You were shy but happy				
And we were fine and dandy				
Here we are again, oh				
But backseat love don't move me				
I'm just far too choosy				
Stop, drop, go through, open up the letter				
Don't you want to make it any better?				
Baby don't you ever wonder why?				
Back up, it's not that I think I'm clever				
I just know that we could do much better				
Baby, don't you ever wonder why				
I was never by your side?				
Sigh, take a deep breath and rewind				
Bite your tongue and let it slide				
Got to see a doctor				
Maybe that (2) shock you				
Love don't die, no				
Especially when it penetrates and leaves you blind				
And (3) mad and reckless				
Got you feeling breathless				
And here we go again				
The backgoat love don't move me				

I'm just way too	choosy			
I'm (4)	way too choosy			
Stop, drop, go	through, or	oen up the letter		
Don't you want	to make it	any better		
Baby, don't you	why?			
Back up, it's no	t that I thin	ık I'm clever		
I just know that	we could	do much better		
Baby, don't you	ı ever won	der why
