

Fill in the gaps

(1) night I had a dream about this girl I know	Because that is (8) girl, is your girl
God she's beautiful	You know is your girl, is your girl
But when I woke up I realized	You know is your girl, is your girl
That the dream I had was true	Because that is your girl
You see I'm not trying to cause any trouble	Because that is your girl, is your girl
But the way she acts makes it difficult	You know is your girl, is your girl
To be the guy I am around my friends	You know is your girl, is your girl
She's got to stop what she is doing now	Because that is your girl
Because that is your girl, is your girl	Ask one of us, or the guy with the crooked fingers
You know is your girl, is your girl	(bis)
You know is (2) girl, is (3) girl	Because that is your girl, is your girl
You know is your girl	You know is your girl, is your girl
Last (4) when I went to bed	You know is your girl, is your girl
I just couldn't sleep, I was so confused	Because that is your girl
because every time she looks at me	Because that is your girl, is your girl
it feels like the way she should be looking at you	You know is your girl, is your girl
And every time she dances (5) me	You know is your girl, is your girl
It feels (6) the way she should be dancing with	Because that is your girl
you	
And you know I'm not the only one that feel this way	
she's got to stop (7) she is doing now
