## Crash your party by Karmin

## Fill in the gaps

Who do you think you are?	911 it's me to the rescue
a super S-T-A-R?	If I don't speak who's (17) tell you
Who do you think you are?	Oh yeah I gotta let you know
you can kiss my oh my God	I'm here to crash your party
All eyes on you tonight	You think you're the star of the show
So let's (1) to you,	But I'm about to let you know
you got so much to prove	(18) here to crash (19) party
And you say, everyone's got a price	The bigger you are the harder you fall,
That's how you get (2) way	oh you had it all
if not there's hell to pay	Before I (20) your party
(3) gonna huff and puff	Who do you think you are?
and (4) the whole house down	a super S-T-A-R?
Don't they know you're the (5) of the castle	Who do you think you are?
The nerve of some people	you can kiss my oh my God
To (6) we're all equal	kiss my oh my God (bis)
911 it's me to the rescue	Sittin' on the top of the world you got the best view
If I don't speak (7) gonna tell you	Livin' life with a cheat sheet,
Oh yeah I gotta let you know	nobody test you, huh?
I'm here to crash your party	Your (21) is a mess, heart is the (22)
You think (8) the star of the show	piece
But I'm about to let you know	Movin' down the board
I'm (9) to crash your party	now I'm takin' down the (23) of the castle
The bigger you are the harder you fall,	While I'm on top of this beat I dazzle
oh you had it all	How could you (24) conceive
Before I crashed (10) party	'nuff of that beef
Who do you think you are?	Now I'm gonna tweak out
a super S-T-A-R?	Now you better peace out
Who do you think you are?	Cause I (25) full house, yeah baby
you can kiss my oh my God	Four of a kind,
You're so misunderstood	there's no room in my life for an ego your size
Cause you're so complex, you and (11) complex	I'm here to crash your party
and you claim you're so low key	You think you're the star of the show
(12) you could have fooled me, Mister TMZ	But I'm about to let you know
(13) on show em how you huff and (14)	I'm here to crash your party
	The bigger you are the (26) you fall,
and (15) the whole house down	oh you had it all
Don't they know you're the king of the castle	Before I crashed your party
The nerve of some people	
To think (16) all equal
