

But I'm being born again

Fill in the gaps

ey son	I'm waiting
m looking forward	I'm waiting
ou're leaning backwards	Right here now
Of this I'm sure	I'm waiting
lave you had enough?	For someone
re you feeling rough?	Or something
(1) your skull hurt?	To (4) me
Vell if it's warm	To take me over
cos I am taking back what's mine	Days
am taking back the time	Days are forgotten
ou may call it suicide	Now it's all over
But I'm being born again	(5) forgotten
m waiting	How to disappear
m waiting	Days
(2) here now	Days are forgotten
m waiting	Now it's all over
or someone	Simply forgotten
Or something	How to disappear
o take me	I saw something out there on the (6) star
o take me over	You (7) sent home
Days	Chewing on monkey brains
Pays are forgotten	I am not here
low it's all over	I'm just a silhouette
Simply forgotten	You (8) never
low to disappear	Ever ever forget
lome bred	Days
ve got blood lust	(9) are forgotten
eeding you bread crust	Now it's all over
leave no scar	Simply forgotten
ou say I'm old hat	How to disappear
fucking dirty rat	Days
Call me a cliche	Days are forgotten
low (3) you are	Now it's all over
cos I am flipping bag of bones	Simply forgotten
am righting all your wrongs	How to disappear
ou may call it suicide
