I can feel a phoenix inside of me
As I march alone to a different beat
Slowly (1) down my fear
I am (2) for the road less traveled
Suiting up for my (3) battle
This task is my own cross to bear
But I will get there
It's never (4) to be chosen
Never easy to be caught standing on the front line
When the (5) start to fall
I can see the heavens
But I still (6) the flames
Calling out my name
I can see the writing on the wall
I can't ignore this war
At the end of it all
Who am I (7) for?
I can (8) this lightness inside of me
(9) fast (10) a bolt of lightning
I know one (11) will shock the world
So I (12) for favor like Esther
I need your strength to handle the pressure
I (13) will be sacrifice
But that's the price
(15) never easy to be chosen
Never easy to be caught standing on the front line
When the (16) start to fall
I can see the heavens
But I still (17) the flames
Calling out my name
