## Fill in the gaps

I dreamed I was drowning in the river Thames		I try to hold on	to (5) we are
I dreamed I had nothing at all		The more I squeeze the quicker we all are	
Nothing but my own skin		You take the pieces of the dreams that you have	
I dreamed I was (1)	on the howling wind	Because you don't like the way they seem to be going	
I dreamed I had nothing at all		You cut them up and spread them out on the floor	
(2) but my own skin		You're full of ho	ppe as you (6) rearranging
Slipped away from your open hands into the river		Put it all back together	
Saw your face looking back at me		But anyway you look at things	
I saw my past and I saw my future		Looks like the lovers are losing	
You take the (3)	of the dreams that you have	I (7)	I had nothing at all
Because you don't like the way they seem to be going		-Nothing but my own skin-	
You cut them up and spread them out on the floor		I dreamed I had nothing at all	
You're full of hope as you begin rearranging		You (8)	the pieces of the dreams that you have
Put it all back together		Because you don't like the way they seem to be going	
But anyway you look at things		You cut them up and spread them out on the floor	
Looks like the (4) are losing		You're full of hope as you begin rearranging	
I dreamed I was watching		Put it all back together	
The young lovers dance		But anyway you look at things	
I reached out to touch your hand		Looks (9)	the lovers are losing
But I was watching from the	distance		
We cling to love like a skiddi	ng car
