

## Fill in the gaps

One two three baby don't think twice	Hiding from the world with a broken wing
Just like that you gotta brand new life	But you'd better believe you're gonna fly with me
Hop in this (1) and run through the red lights	And you could be a songbird from the New Orleans
Yes where you wanna go baby name the town	Scared of the rain just too scared to sing
We can go up the (2) we can head down south	But you'd better believe you're gonna fly with me
Roll (3) the windows with the radio loud	You're gonna fly
Come on turn it up, yes	You're gonna fly
Start living (4) life	You could be a black bird
On the double leave your (5) behind	On the country street
You knew we're gonna be alright	Hiding from the world with a broken wing
You could be a blackbird	But you'd better believe you're gonna fly with me
On the country street	And you (7) be a songbird from the New Orleans
(6) from the world with a broken wing	Scared of the rain just too scared to sing
But you'd better believe you're gonna fly with me	But you'd better believe
And you could be a songbird from the New Orleans	Yes, you'd better believe baby
Scared of the rain just too scared to sing	You could be a black bird
But you'd better believe you're gonna fly with me	On the country street
Well, here we are baby in the back of my van	Hiding from the world with a broken wing
Suns going down skies turning red	But you'd better believe you're gonna fly with me
Stars coming out	And you could be a songbird (8) the New Orleans
Baby look at you now	Scared of the rain just too scared to sing
God knows how long but it's been a while	But you'd better believe you're gonna fly (9) me
Since I heard you laugh and I'd seen that smile	You're gonna fly with me
Fill that kiss and I could get used to this	You'd better believe baby
Baby I could get used to this	You're gonna fly
Because you could be a black bird
