Walk away by Kelly Clarkson

I'm looking for attention

Fill in the gaps

You've got your mother and your brother	Not another question
Every other undercover	Should you stay or should you go?
Tellin' you what to say -say-	Well, if you don't have the answer
You think I'm stupid	Why are you still standin' here?
But the truth is	Just walk away
That it's cupid, baby	(bis x2)
Lovin' you has made me this way	I (6) love
So before you point (1) finger	I want a fire
Get your hands off of my trigger	To feel the burn
You need to know this situation's getting old	My desires
And now the more you talk	I want a man by my side
The less I can take, oh	Not a boy who runs and hides
I'm looking for attention	Are you (7) fight for me?
Not another question	Die for me?
Should you stay or (2) you go?	Live and breathe for me?
Well, if you don't have the answer	Do you (8) for me?
Why are you (3) standin' here?	'Cause if you don't then just leave
Just walk away	I'm looking for attention
(bis x2)	Not another question
I waited here for you	Should you stay or should you go?
Like a kid waiting after school	Well, if you don't have the answer
So tell me how come you (4) show	wed Why are you still standin' here?
showed-?	Just walk away
I gave you everything	If you don't have the answer
And never asked for anything	Walk away
And look at me	Just walk -walk- away
I'm all alone -alone-	-Just walk away-
So, before you start defendin'	Then (9) leave
Baby, stop all (5) pretendin'	Walk away
I know you know I know	
So what's the point in being slow	
Let's get the show on the road today	

- 1. your
- 2. should
- 3. still
- 4. never
