Walk away by Kelly Clarkson

I'm (17)_____ for attention

Fill in the gaps

You've got (1) mother and (2) brother	Not another question
(3) (4) undercover	Should you stay or should you go?
Tellin' you (5) to say -say-	Well, if you don't have the answer
You (6) I'm stupid	Why are you still standin' here?
But the truth is	Just walk away
That it's cupid, baby	(bis x2)
Lovin' you has made me (7) way	I (18) love
So before you point your finger	I want a fire
Get your hands off of my trigger	To feel the burn
You (8) to know (9) situation's getting	My desires
pld	I want a man by my side
And now the more you talk	Not a boy who runs and hides
The less I can take, oh	Are you gonna (19) for me?
I'm looking for attention	Die for me?
Not another question	Live and breathe for me?
Should you (10) or should you go?	Do you care for me?
Well, if you don't have the answer	'Cause if you don't then just leave
Why are you (11) standin' here?	I'm looking for attention
(12) (13) away	Not another question
(bis x2)	Should you stay or should you go?
I (14) here for you	Well, if you don't (20) the answe
Like a kid waiting after school	Why are you still standin' here?
So tell me how come you never showed -showed-?	Just walk away
I gave you everything	If you don't have the answer
And never asked for anything	(21) away
And look at me	Just walk -walk- away
I'm all alone -alone-	-Just walk away-
So, before you start defendin'	(22) just leave
Baby, stop all your pretendin'	Walk away
I (15) you (16) I know	
So what's the point in being slow	
Let's get the show on the road today
