Saw you leaning against that old record machine	Come give me some of that
Saw the name of your band written on the marquee	Yum like a lollipop, baby, don't be scared
It's a full moon tonight so we're getting rowdy	Come on because I know what I like
Yeah, we're getting rowdy, get, get, getting rowdy	And you're looking just like my type
Feeling (1) I'm a high schooler	Let's go for it just for tonight
Sipping on a warm wine cooler	Oh c'mon, c'mon, c'mon
Hot because the party don't stop	Now don't even try to deny
I'm in a crop top	We're both going (7) satisfied
Like I'm working at Hooters	Let's go for it (8) for tonight
We've been keeping it PG	Oh c'mon, c'mon, c'mon
But I wanna get a little frisky	I don't wanna go to sleep
Come give me (2) of that	I wanna stay up all night
Yum like a lollipop, let me set you free	I wanna just screw around
Come on because I know what I like	I don't wanna think about
And you're looking just like my type	What's gonna be after this
Let's go for it just for tonight	I wanna just live right now
Oh c'mon, c'mon	I don't wanna go to sleep
Now don't (3) try to deny	I wanna stay up all night
We're both going home satisfied	I wanna just screw around
Let's go for it just for tonight	I don't wanna think about
Oh c'mon, c'mon	What's gonna be after this
Write our names on the (4) in the back of the bar	I (9) just live right now
Steal some bubble gum from the corner meximart	Come on because I know what I like
Now we laughing like kids	And you're looking just like my type
Causing trouble in the dark	Let's go for it just for tonight
Causing trouble in the dark, trouble in the dark	Oh c'mon, c'mon, c'mon
Feeling like a sabre (5) tiger	Now don't even try to deny
Sipping on a warm Budweiser	We're both (10) home satisfied
Touch me and give me that rush	Let's go for it just for tonight
Better (6) a toothbrush	Oh c'mon, c'mon, c'mon
Gonna pull an all-nighter	
We been keeping it Kosher	
But I wanna get it on for sure
