This is nonstop baby	And turn to your brother
You've got me going crazy	Not a long (5) lover's noose
You're heavier than I knew	Sometimes baby the hardest part of breaking
But I don't want no other	is leaving pieces behind you
You're my cameo love	Oh we've all gotta get by
Only here for a moment or two	Let me come and (6) you high, with you
You stay inside that bubble	When everyday's (7) talking in your sleep
With all of (1) trouble	Love is like a silhouette in dreams
In your black hole	Open up your heart
You turn from the skies	Open up your heart
You dance with your demise	Open up your heart and let me pull you out
I'll be here when you come home	When everyday's like talking in your sleep
We've all gotta break down	Love is like a silhouette in dreams
Let me come and break down (2) you	Open up your heart
Because everyday's like talking in your sleep	Open up your heart
Love is (3) a silhouette in dreams	Open up your (8) and let me pull you out of
Open up your heart	here
Open up your heart	Open up your heart to me
Open up your heart and let me pull you out	The sun won't shine if you're not (9)
When everyday's like talking in your sleep	-Baby love is all that you need-
Love is like a silhouette in dreams	When everyday's like talking in your sleep
Open up your heart	Love is like a silhouette in dreams
Open up your heart	Open up your heart, open, open, open
Open up your heart and let me pull you out of here	When everyday's like talking in your sleep
I've got high hopes baby	Love is like a silhouette in dreams
But all you do is take me down to depths	Open up your heart
That I never (4)	Open up (10) heart
You've got two arms baby	Open up your heart and let me pull you out
They're all tangled in ladies	Open up your heart
