

A part of me I'd never seen

Fill in the gaps

You scared the s**t out of me I'm (1) sc	erry You took my soul and (7) it clean
You scared of me?	Our love was made for movie screens
All I want is nothing more	But If you loved me
To hear you knocking at my door	Why'd you (8) me?
Because if I (2) see (3) face of	nce Take my body
more	Take my body
I could die a happy man I'm sure	All I want is
(4) you said your last goodbye	And all I need is
I died a little bit inside	To find somebody
I lay in tears in bed all night	I'll find somebody
Alone (5) you by my side	If you loved me,
But If you loved me	Why'd you leave me?
Why'd you leave me?	Take my body
(6) my body	Take my body
Take my body	All I want is
All I want is	And all I need is
And all I need is	To (9) somebody
To find somebody	I'll (10) somebody like you, oh
I'll find somebody like you oh	
Because you brought out the best of me
