

## Fill in the gaps

Guess it's something that the boys don't stop	10
When you think good (1)	Wa
Means to get lost just one night	l w
I should remember all the lives I saved	Ιw
Everytime I said I'm too hard to love	Ιw
But tonight it's different	Wa
I can feel the summer coming on	Ιw
And I stopped listening to this little	l w
Voice inside my brain	An
Never mind too much fight	My
Too much fight, too much	An
(2) to (3) around	We
I want you right now	W
I want you right now	Co
I want you right now	We
Want to come around	Bu
I want you right now	Ho
I want you right now	We
And you don't know how	Bu
My heart is breaking down	Ho
And the lights went out	W
Would you come around?	I (
Would you take me out?	l w
Come around, come around	l w
Called the friends in common we had	Wa
Asked (4) you at	l w
Yeah, that's a good start	l w
It feels so stupid to run in the dark	An
(5) for this girl who can get me back	My
But tonight's different	Ar
I can feel the summer coming on	We
And I stopped listening	We
Never mind too much fight	Co
Never mind too much fight	
Never mind too much fight	

Too much fight, too much	
Want to come around	
I want you (6) now	
I want you (7) now	
I want you right now	
Want to come around	
I want you right now	
I want you right now	
And you don't know how	
My heart is breaking down	
And the lights went out	
Would you come around?	
Would you take me out?	
Come around, come around	
Words tried to come out then	
But you shut them with (8) hand	
Horses in the rain, horses in the rain	
Words tried to come out then	
But you shut them with your hand	
Horses in the rain, travellers in the sun	
Want to come around	
I (9) you right now	
I want you right now	
I want you right now	
Want to (10) around	
I want you right now	
I want you right now	
And you don't know how	
My heart is breaking down	
And the lights went out	
Would you come around?	
Would you take me out?	
Come around, come around
