

Right now by Kostrok

Fill in the gaps

Guess it's something that the boys don't stop

When you think good time

Means to get lost just one night

I should remember all the lives I saved

(1)_____ I (2)_____ I'm too hard to
love

But tonight it's different

I can feel the summer coming on

And I stopped listening to this little

Voice inside my brain

Never mind too much fight

Too much fight, too much

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you right now

And you don't know how

My heart is breaking down

And the lights (3)_____ out

Would you come around?

Would you take me out?

Come around, (4)_____ around

Called the friends in common we had

Asked where you at

Yeah, that's a good start

It feels so stupid to run in the dark

Looking for this girl who can get me back

But tonight's different

I can feel the summer coming on

And I stopped listening

Never mind too (5)_____ fight

Never mind too much fight

Never mind too much fight

Too much fight, too much

Want to come around

I want you right now

I want you right now

I want you (6)_____ now

Want to come around

I want you right now

I want you right now

And you don't know how

My heart is breaking down

And the (7)_____ went out

Would you come around?

Would you take me out?

Come around, come around

Words tried to come out then

But you shut (8)_____ with your hand

Horses in the rain, horses in the rain

Words tried to come out then

But you shut them with your hand

Horses in the rain, travellers in the sun

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you right now

And you don't know how

My (9)_____ is breaking down

And the lights went out

Would you come around?

Would you take me out?

Come around, come around
