

Fill in the gaps

Baby you (1) to leave
Because I'm getting drunk on your noble deeds
It doesn't matter that (2) don't get done
When I feel this cold they're like the f**king sun
(3) I need a friend
But I'm a vampire smile
You'll meet a sticky end
I'm here trying not to bite (4) neck
But it's (5) and I'm gonna get
So drunk on you and kill your friends
You'll need me and we can be obsessed
And I can touch your hair and taste your skin
The ghosts won't matter
Because we'll hide in sin
Baby you have a choice
Because you burn my ears (6) your magic voice
I'm a paper doll, you can tear me up

We'll be the broken lovers with the poison cup
And we'll draw in breaths like we don't have air
Oh God, look at me, don't you even care
That I'm dying in the cupboard underneath the stairs?
Steps (7) on above my head
Baby you're (8) to me
But you see I love it when you make me plead
want a scar that looks just like you
Till then I gotta (9) to be a wiser fool
Baby you (10) to leave
And I know you know
That's why you keep ignoring me
Because if you don't
Gonna run me down, let myself go
