

## Fill in the gaps

(1) you (2) to leave	We'll be the broken (15) with the poison cup
Because I'm (3) drunk on (4)	And we'll (16) in breaths like we don't have air
noble deeds	Oh God, look at me, don't you even care
It doesn't matter (5) they don't get done	(17) I'm dying in the (18)
When I feel this cold they're like the f**king sun	underneath the stairs?
(6) I need a friend	Steps stamp on above my head
But I'm a vampire smile	Baby you're cruel to me
You'll (7) a sticky end	But you see I love it when you (19) me plead
I'm here (8) not to bite your neck	I want a scar that looks just like you
But it's (9) and I'm (10)	(20) then I (21) learn to be a wiser
get	fool
So drunk on you and kill your friends	Baby you (22) to leave
You'll need me and we can be obsessed	And I know you know
And I can touch (11) hair and taste your skin	That's why you keep ignoring me
The ghosts won't matter	Because if you don't
(12) we'll hide in sin	(23) run me down, let myself go
Baby you (13) a choice	
Because you burn my ears with your magic voice	
I'm a (14) doll, you can tear me up
