Fill in the gaps

Stairway To Heaven by Led Zeppelin

There's a lady who's sure all (1) glitters is gold	If there's a bustle in your hedgerow, don't be
And she's buying a stairway to heaven	(6) now
When she gets there she knows, if the stores are all closed	It's just a spring clean for the May queen
With a word she can get what she came for	Yes, there are two paths you can go by, but in the long run
Ooh ooh, and she's buying a stairway to heaven	There's still time to change the road you're on
There's a sign on the wall, but she wants to be sure	And it makes me wonder
'Cause you know sometimes (2) have two	Your head is humming and it won't go, in case you don't know
meanings	The piper's calling you to join him
In a tree by the brook, there's a songbird who sings	Dear lady, can you hear the wind blow, and did you know
Sometimes all of our thoughts are misgiven	Your stairway lies on the whispering wind
Ooh, it makes me wonder	And as we wind on down the road
Ooh, it makes me wonder	Our (7) taller than our soul
There's a feeling I get (3) I look to the west	There walks a lady we all know
And my spirit is crying for leaving	Who shines white (8) and wants to show
In my thoughts I have seen rings of smoke through the trees	How everything still turns to gold
And the voices of those who stand looking	And if you listen (9) hard
Ooh, it makes me wonder	The tune will come to you at last
Ooh, it really makes me wonder	When all are one and one is all
And it's whispered that soon if we all call the tune	To be a rock and not to roll
Then the piper will lead us to reason	And she's buying a stairway to (10)
And a new day will dawn for (4) who stand long	
And the forests will echo (5) laughter
