Stairway To Heaven by Led Zeppelin

There's a lady who's sure all that glitters is gold		If there's a bustle in your hedgerow, don't be alarmed now		
And she's buying a (1)	to heaven	It's just a spring clean for the May queen		
When she gets there she knows, if the stores are all closed		Yes, there are two paths you can go by, but in the long run		
With a word she can get what she came for		There's (5)	time to change the road you're on	
Ooh ooh, and she's buying a stairway to heaven		And it makes me wonder		
There's a sign on the wall, but she wants to be sure		Your head is humming and it won't go, in case you don't know		
'Cause you know (2)	_ words have two	The piper's calling you to	(6) him	
meanings		Dear lady, can you (7) the wind blow, and did you		
In a tree by the brook, there's a (3) who		know		
sings		Your stairway lies on the (8) wind		_ wind
Sometimes all of our thoughts are misgiven		And as we wind on down the road		
Ooh, it makes me wonder		Our shadows taller than our soul		
Ooh, it makes me wonder		There walks a lady we all know		
There's a feeling I get when I look to the west		Who shines white light and wants to show		
And my spirit is crying for leaving		How (9)	(10)	turns to
In my thoughts I have seen rings of smoke through the trees		gold		
And the voices of those who stand looking		And if you listen very hard		
Ooh, it makes me wonder		The tune will come to you at last		
Ooh, it really makes me wonder		When all are one and one is all		
And it's whispered that soon if we all call the tune		To be a rock and not to roll		
Then the piper will lead us to reason		And she's buying a stairway to heaven		
And a new day will dawn for those who star				
And the forests (4) echo with law	ughter
