

Fill in the gaps

You see me unraveling			
I know the difference this time			
You pull me in, you pull me out			
I'm deserving			
Don't matter what you do wrong			
I put your knees before mine			
It doesn't really matter what they say			
It doesn't (1) matter what they say			
So take what you want from me			
Take what you want from me			
Take what you want from me			
And I'll give you all my love			
I'll give you everything			
Just take what I don't need			
I know I've made some mistakes			
But I'll be different, you'll see			
l'll (2) in, (3) me how			
I keep falling			
I'm sleeping under a wave of gold			

So, can i sieep?			
It doesn't really matter what they say			
So take what you want from me			
Take what you want from me			
Take (4) you want from me			
And I'll give you all my love			
I'll give you everything			
Just take what I don't need			
So you want to talk (5)	this	way	you
(6) to go			
And I don't need to think about losing you			
To know how it feels, how it feels			
So take what you want from me			
Take what you want (7) me			
Take what you (8) from me			
And I'll give you all my love			
I'll give you everything			
Just take what I don't need
