

## Fill in the gaps

I would be your man, you would be my girl	Don't fool yourself with dreams that (15) appear
Oh, girl, I believe, I do	If in time you (16) and trust (17)
If there's any (1) in the world	feelings
I would be (2) man, you would be my girl	The truth is out (18) somewhere
If I found you first you (3) it's true	It's blowing in the wind, oh
He would be alone I would be with you	If there's any justice in the world
When you decide don't let me down	I would be (19) man, you (20) be my
Because there's nothing to be certain in my life	girl
And you've seen a thousand times	If I found you (21) you know its true
There's not (4) justice in the (5) oh	He (22) be alone and I would be with you
no	(23) you decide don't let me down
If there's any justice in your heart	Because there's (24) to be certain in my
(6) (7) really changed	life
Is it in too hard? oh no	And I've seen a thousand times
Why don't you remember how it feels	There's not much justice in the world, no
Not to give a damn for anyone but me	If I (25) lose you girl you know
I can't believe	(26) there's not much (27) in
You'd be deceived	the world, no, no
(8) memories (9)	If there's any justice in the world
(10) to fantasy	You're gonna be my baby
When there's (11) left but tears	You're gonna be my baby
And there's not much justice in the world	You're gonna be my baby
(12) (13) he is wrapped around	
(14) finger	

## Fill in the gaps
