

Fill in the gaps

The first time by Lemar

All the lights agree travelling super speed
Every road is clear
Heading to nowhere
But I feel, I feel so alive for the first time
Put your hand to (1)_____ and let's blaze across the sky
You'll see there are no way through another lips
Because it feels, this feels like us for the first time
For the first time, first time, let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time
No more rules to break
It's your life to waste
(2)_____ we need
All that silver screen
And it feels, (3)_____ like your (4)_____ for the
first time

For the first time, first time let (5)_____ light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And no longer (6)_____ the night
Brighter, brighter let your light shine
Tonight, tonight we watch the world come to life, to life
Alive, alive watch the world come to life
It will be alright
For the first time, (7)_____ (8)_____ let your light
shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your (9)_____ shine
And no longer feel the night
Brighter, brighter let your light shine
For the (10)_____ time, for the first time
