The first time by Lemar

All the lights agree travelling super speed

(1)_____ road is clear

Heading to nowhere

But I feel, I feel so alive for the (2)_____ time

Put your hand to mine and let's (3)_____ across the sky

You'll see there are no way through another lips

Because it feels, this feels like us for the first time

For the first time, first time, let your light shine

Oh so brighter that still

Higher higher let your light shine

See it all the other stars

For the first time, first time let your light shine

And no longer feel the night

Brighter, brighter let your light shine

For the first time

No more rules to break

It's your life to waste

Everything we need

All that silver screen

And it feels, feels like your mind for the first time

For the first time, first time let your (4)_____ shine

Oh so brighter that still

Higher higher let your light shine

See it all the other stars

For the (5)_____ time, first (6)_____ let your light shine

And no longer feel the night

Brighter, (7)_____ let your light shine

Tonight, tonight we watch the world come to life, to life

Alive, alive watch the (8)_____ come to life

It will be alright

For the first time, first time let your light shine

Oh so brighter that still

Higher higher let your (9)_____ shine

See it all the other stars
