

Fill in the gaps

The first time by Lemar

All the lights agree travelling super speed
Every (1)_____ is clear
Heading to nowhere
But I feel, I feel so alive for the first time
Put your hand to mine and let's blaze across the sky
You'll see (2)_____ are no way through
(3)_____ lips
Because it feels, this feels like us for the first time
For the first time, first time, let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the (4)_____ stars
For the first time, first time let your light shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time
No more rules to break
It's your (5)_____ to waste
(6)_____ we need
All that silver screen
And it feels, feels like your mind for the first time

For the first time, first time let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the (7)_____ stars
For the first time, first time let your light shine
And no longer (8)_____ the night
Brighter, brighter let your light shine
Tonight, tonight we watch the world come to life, to life
Alive, alive watch the world come to life
It will be alright
For the first time, first time let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first (9)_____ let (10)_____ light
shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time, for the first time

Fill in the gaps

Answer
