Fill in the gaps

She's so gone by Lemonade Mouth

Insecure in a skin	You won't run her around
Like a puppet, a (1) on a string	You can look but you won't see
Broke away, learned to fly	The girl I used to be because she's
If you want her back gotta let her shine	She's so (8) away
So it looks like the joke's on you	Like kiss the rain
Because the girl (2) you thought you knew	She's so gone
She's so gone	Baby, this is me, yeah
That's so over now	She's so gone
She's so gone	That's so over now
You won't run her around	She's so gone
You can look but you won't see	You won't run her around
The (3) I used to be because she's	You can look but you won't see
She's so gone	The girl I used to be because she's
Here I am	She's so gone
This is me	She's so gone
And I'm (4) (5) you	You can (9) but you won't see
(6) l'd be	The girl I used to be because she's
Are you shocked? Are you mad?	She's so gone
That you're missing out on who I really am	So alone
Now it looks like the joke's on you	She's so gone, gone, gone, gone
Because the girl that you thought you knew	
She's so gone	
That's so over now
