

Fill in the gaps

Can you see me?
Because I'm right here
Can you listen?
Because I've been trying to make you notice
What do you mean to me
To feel like somebody
We've been on our way to nowhere
Trying so hard to get there
And I say, oh!
We're gonna let it show
We're (1) just let go off everything
Holding back our dreams and try
To make it come alive
Come on let it shine so they can see
We (2) meant to be somebody, somebody
Somehow, someday, someway, somebody
I'm so tired of being invisible
But I feel it, yeah
Like a fire below the surface trying to set me free
Burning inside of me
Because we're standing on the edge now
It's a long way down
But I say, oh!

We're gonna let it show
We're gonna just let go off everything
Holding back our dreams and try
To make it come alive
Come on let it shine so they can see
We were meant to be somebody
Somebody, somebody, yeah
Somehow, someday, someway, somebody
We will (3) out of this (4)
Feel the spark light glowing (5) the yellow sur
And then we'll fight, we'll fight together
Till we get back up
And we (6) rise as one
We're gonna let it show
We're gonna (7) let go of everything
Holding back our (8) and try
To make it come alive
(9) on let it shine so they can see
We were meant to be somebody
Somebody, somebody
Somehow, someday, someway, somebody
