

## Fill in the gaps

In my secret life	Marching throu
In my (1) life	Moving cross the
In my secret life	Of my secret lif
I saw you this morning	Looked through
You were moving so fast	Makes you war
Can't seem to loosen my grip on the past	(6)
And I miss you so much	And the dealer
And there's no one in sight	That it's either
And we're still making love	Thank God it's
In my secret life	In my secret life
In my (2) life	I bite my lip
I smile (3) I'm angry	And I buy what
I cheat and I lie	From the latest
I do what I have to do to get by	To the wisdom
But I know (4) is wrong	But I'm always
And I know what is right	And my heart is
And I'd die for the truth	And it's crowde
In my (5) life	In my secret life
In my secret life	In my secret life
Hold on, hold on, my brother	In my (9)
My sister, hold on tight	
I finally got my orders	
I'll be marching through the morning	

warching through the hight	
Moving cross the borders	
Of my secret life	
Looked through the paper	
Makes you want to cry	
(6)(7)	if the people live or die
And the dealer wants you think	ing
That it's either (8)	or white
Thank God it's not that simple	
In my secret life	
I bite my lip	
And I buy what I'm told	
From the latest hit	
To the wisdom of old	
But I'm always alone	
And my heart is like ice	
And it's crowded and cold	
In my secret life	
In my secret life	
In my (9) life
