

## Fill in the gaps

## No room for doubt by Lianne La Havas

You caught me, guilty	We all make mistakes, we do, I (5) from you
Taking the pieces of you	Please sleep softly, leave me no room for doubt
That night, you took a flight	Please (6) softly, leave me no room for doubt
I couldn't decide what to do	Please sleep softly, leave me no room for doubt
I won't let a (1) bet	Please sleep softly, leave me no room for doubt
Continue to make me go blue	Leave me no room for doubt
I (2) go solo	We all make mistakes, we do, I learnt from you
But that'd be the right thing to do	We all make mistakes, we do, I (7) from you
We all make mistakes, we do, I learnt from you	We all make mistakes, we do, I learnt from you
We all make mistakes, we do, I (3) from you	We all (8) mistakes, we do, I learnt from you
I tiptoe, too slow	Please sleep softly, leave me no
Out of the door to your house	Please (9) softly, leave me no room for doubt
I know you know that this way leads me out	Please sleep softly, leave me no
Outside, too bright	Please sleep softly, leave me no room for doubt
You're (4) I'm without	Leave me no room for doubt
You're within	
We all make mistakes, we do, I learnt from you
