

## Fill in the gaps

It's five o'clock in the morning	Are you mine? are you mine?
Conversation got boring	Because I stay here all the time
You said you're (1) to bed soon	Watching telly, drinking wine
So I snuck off to your bedroom	Who'd have known? who'd have known?
And I thought I'd just wait there	(7) you flash up on my phone
Until I (2) you come up the stairs	I no longer feel alone
And I pretended I was sleeping	Let's just stay, let's just stay
I was hoping you would creep in with me	I wanna lay in bed all day
Put your arm around my shoulder	We'll be laughing all the way
It was good, till it got colder	Told your friends, they all know
And we moved closer in, together	We exist, but we're taking it slow
And started (3) about the weather	Let's just see how it goes
Said tomorrow would be fine	Now, let's see how it goes
And we could watch a place in the sun	<em>En el cartel del vídeo:</em>
I didn't know where this was going	<em>-I want you to know that I have fallen deeply in love with</em>
When you kissed me	Lily-
When you kissed me Are you mine? are you mine?	Lily- Are you mine? are you mine?
