can feel the whole world spinning around	so tell me what you think do you think I'll sink number one
'm losing ground	scapegoat I'm the missing link all I know I've been hypnotised
feel it every day	It won't be easy
and I can feel you coming (1) out	If you've got a heart that burns inside let me get inside
'm losing touch (2) all reality	let me tangle with the flames
remember the (3) in your eyes	if you've got a light that burns inside
the way (4) they pulled me inside	the (10) will rise and melt down once again
all I've got now in my defence is my innocense	I still remember the look in your eyes
've been hypnotised	the way that they pulled me inside
Hypnotised!	all I've got now in my defence is my innocense
can hear the (5) bells ringing out	I've been hypnotised
reminds me of some bright and sunshine day	all I've got now in my defence is my innocense
when all the pretty horses	I've been hypnotised
you would (6) (7) come right back to	I'm waiting for a sign help me realign maybe it's a sin I know
eel your energy	but
still remember the look in your eyes	It's not a crime
the way (8) they filled me inside	all I know I've been hypnotised
all I've got now in my defence is my innocense	maybe there's a way I can find a way final hour judgement day
