

Fill in the gaps

Wait (1) you're announced
We've not yet lost all our graces
The hounds will (2) in chains
Look upon your greatness
And she'll send the call out
(3) the call out, send the call out
Call all the ladies out
They're in their finery
A hundred (4) on throats
A hundred jewels between teeth
Now bring my boys in
(5) skin in craters like the moon
The moon we love like a brother
While he glows through the room
Dancing around the lies we tell
Dancing around big eyes as well
Even the comatose, they don't dance and tell
We live in cities you'll never see on-screen
Not very pretty
But we sure know how to run things
(6) in ruins of a palace within my dreams
And you know we're on each other's team
I'm kind of over
Getting told to throw my hands up in the air
So there
So all the cups got broke
Shards beneath our feet

But it wasn't my fault
And everyone's competing
For a (7) they won't receive
Because what this palace wants is release
We live in cities you'll never see on-screen
Not very pretty
But we sure know how to run things
Living in ruins of a palace within my dreams
And you know we're on each other's team
I'm (8) of over
Getting told to throw my hands up in the air
So there
I'm kind of older than I was
When I reveled without a care
So there
We live in cities you'll never see on screen
Not (9) pretty
But we sure know how to run things
Living in ruins of a palace within my dreams
And you know we're on each other's team
We're on (10) other's team
And you know we're on each other's team
We're on each other's team
And you know, and you know, and you know
