Come Talk To Me by Peter Gabriel

shadowed milk from sleepy tears undone From nippled skin as smooth as silk

Fill in the gaps

Ah please talk to me the bugles blown as one Won't you please come talk to me Just like it used to be Come on, come talk to me Come on, come talk to me The (1)___ (2)_____ takes its form, the jackal proud and tight In search of you, I feel my way, though the slowest heaving night Whatever fear invents. I I swear it make no sense I reach through the border fence Come down, come talk to me In the swirling, curling storm of desire unuttered words hold fast Come talk to me With reptile tongue, Come (9)____ the lightning lashes towers built to last Come talk to me Darkness creeps in (3)_____ a thief and offers no relief Why are you shaking like a leaf Come on, come talk to me Ah (4)_____ talk to me Won't you please come talk to me We can unlock this misery Come on, come talk to me [Chorus 1:] I did not (5)____ ___ to steal This all is so unreal Can't you show me how you feel now Come on, come talk to me The earthly power sucks

You lie there with your eyeshalf closed like there's no-one there at all There's a tension pulling on your face Come on, (6)_____ talk to me Ah please talk to me Won't you please come talk to me Just like it used to be Come on, (7)_____ talk to me Come on, come (8)_____ to me Don't you ever change your mind Now your future's so defined And you act so deaf and blind (And you act so deaf so blind) Come on, come talk to me ____ to me I can imagine the moment Breaking out through the silence All the (10)_____ _ that we both might say And the heart it will not be denied 'Til we're both on the same damn side All the barriers blown away I said please talk to me Won't you please come talk to me Just like it used to be Come on, come talk to me I did not come to steal This all is so unreal Can you show me how you feel now Come on, come talk to me
